Greetings,

After reviewing the Interim Progress Program Report (IPR) submitted by The Catholic University of America School of Architecture and Planning, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report.

In addition to the mandatory information required by the 5<sup>th</sup>-year IPR in 2020, the report should also address the following issues:

1. The status of financial resources (I.2.4);
2. Enrollment stress;
3. Funding support for tenure-track travel, adjunct faculty, and core staff; and
4. Program changes in response to current NAAB Conditions. Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
